Maintenance Free

Quartz never has to be sealed or maintained. Extremely durable and nonabsorbent, it is easy to clean, stain resistant, and doesn't harbor harmful bacteria. Stone countertops, including quartz, can be damaged by sudden temperature changes. Place pot holders or closed trivets under anything hot.

Colorful Creations

Using pure, white quartz, we are able to create stunning countertops featuring a wide array of designs colors, and patterns. Beyond countertops, quartz can be used in unique applications like shower walls backsplash, and fireplace surrounds.

Durability

Quartz countertops are extremely durable and withstand daily use with ease for life. As a hard material, it resists chips, scratches, stains, and cut marks; but it's best to use a cutting board. While not approved for outdoor use, quartz can be used in outdoor kitchens if there is full overhead coverage from the elements.

Environmentally Friendly

Quartz is harvested in small aggregate stone form which leaves a smaller footprint and obtains better yield per harvest, generating less waste. The native vegetation restoration more optimally occurs after the quartz is harvested in this manner.

RAPHAEL STONE - A WHOLESALE QUARTZ COUNTERTOPS COMPANY

ADVANTAGES OF OUR QUARTZ COUNTERTOPS

With a large selection of wholesale quartz countertops for you to choose from we are confident that our customers will be pleased with their purchase.

Our Quartz Countertops are stain and contamination-resistant They are durable enough for any home or office owner's needs without compromising on style or elegance in design! One of the biggest benefits of using quartz countertops is that they can be manufactured in an even and consistent appearance. This makes them perfect for kitchens with a polished finish or other designs where uniformity matters! The beauty of quartz countertops is that they are almost impossible to break. Quartz is available in virtually any color you want. You will not have to worry about finding the perfect countertop because quartz comes with all the different colors of stones available on this planet! If you love granite or marble but prefer some of its advantages then quartz will work for both looks and textures without sacrificing any features.

Raphael Stone Collection Inc. is the best source for wholesale quartz countertops. We have a wide variety of colors and sizes to choose from. No matter what design or budget you're working with, we've got something that will work perfectly! Our headquarters are in Leonia, New Jersey. We have ten warehouses and distribution centers throughout the country. We are an established quartz countertop wholesale company. We wholesale to stores, dealers, distributors, and fabricators. Our quartz slabs are much larger than industry standards at 126" x 63" and 127" x 64". We offer the most durable and hardest countertops on today's market made of 93% natural quartz and 7% resin. As one of the largest wholesale suppliers of quartz countertop slabs, we offer the highest quality quartz countertops for your kitchen or bathroom remodel. With a large selection of quartz surfaces to choose from, you're sure to find what fits best for you in both style and price range!
